

# Resume of Tejendra Purohit

## For Machine Learning

Name: Tejendra Purohit  
Email: tejendrapurohit555@gmail.com  
Location: Jodhpur, Rajasthan, India

### Soft Skills

- Analytical Thinking
- Problem Solving
- Team Collaboration
- Adaptability
- Quick Learner
- Time Management

### Professional Summary

A highly motivated and curious Machine Learning enthusiast with a strong foundation in supervised and unsupervised learning concepts. Knowledgeable in regression analysis and model development with a keen interest in data-driven problem-solving. Proficient in applying ML algorithms to extract insights and make predictions. Eager to work in a challenging environment where I can enhance my analytical and programming skills while contributing to impactful AI and ML projects.

### Technical Skills

- Supervised Learning (Classification, Regression)
- Unsupervised Learning (Clustering, Dimensionality Reduction)
- Regression Models (Linear, Multiple, Logistic Regression)
- Python for Machine Learning
- NumPy, Pandas, Matplotlib, Scikit-learn
- Data Preprocessing and Visualization
- Model Evaluation and Optimization
- Basic Statistics and Probability Concepts

### Certification

- Certificate in Machine learning by internshala

### Education

Bachelor of Computer Applications (BCA) – Lucky Institute of Professional Studies, Jodhpur  
Year of Completion: 2026
